

# Equipment List

## Hula Hoops (x2)

24" Kids Hula Hoops.

- Spinning
- Skipping
- Jumping through!
- Learning to roll them
- Use them as targets

---

## Pack of Cones (x20)

Different colours with endless possibilities!

- Target practice
- Colour matching
- Obstacle courses
- Run around / dribble a ball around them
- Goal posts!

---

## Floor Markers (circles)

Pack of 6 flat rubber markers.

- Jump from one to the other.
- Add into an obstacle course.
- The floor is LAVA!
- Can you throw a beanbag to land on one?

### Floor Markers (arrows)

Pack of 6 flat rubber markers.

- Follow the arrows!
- Add into an obstacle course.
- Point to a target.
- Can you run/balance along them?

---

### Nerf Vortex Howler

Nerf Vortex Howler can be thrown through the air. Listen for its whistle!

- How far can you throw it?
- Can you aim for a target?
- Play catch with a partner.

---

### Skipping Rope (x1)

Great for use outdoors, skipping on the spot or on the move during a daily walk!

- How many jumps can you do on the spot?
- How many jumps can you do in 30 seconds?
- How fast can you skip?
- Learn new tricks like 'The Cross Over' or 'Double Jump'

---

### Tennis Hitting Hands (x2)

Wrap the paddle to your hand (velcro strap) and try to hit the ball. Perfect for someone who may struggle to hold a tennis racket or rounders bat. Also good for individuals who struggle with hand-eye coordination.

- Play tennis with a partner.
- How far can you hit the ball?
- Stop the ball as it rolls along the floor.
- Practice your tennis serve!

### Tennis Rackets (x2)

2 youth tennis rackets.

- Can you balance a ball on your racket and run around your living room?
- How many times can you hit the ball back and forth with a partner? This is called a 'rally'!
- Play a game of tennis.
- Learn to hit a volley (hitting the ball without a bounce).
- Can you knock down some targets by hitting the ball with the racket?

---

### Primary Skills Racket (x2)

2 smaller rackets for younger children. Can be used with tennis balls, foam balls, beach balls and ping pong balls.

- Can you hit the ball to a partner?
- Can you hit it up to land back on your racket?
- How far can you hit the ball?
- Use it to play rounders, cricket or tennis!

---

### Tennis Balls (x2)

Standard, firm tennis balls.

---

### Foam Tennis Balls (x2)

Softer tennis balls made with foam.

---

### Audible Tennis Ball (x1)

Soft sponge tennis ball with bell inside.

---

### Hitting Tee (x1)

A stand to place a ball on top. Great for those with limited mobility or visual impairments.

- Can you hit the ball off the Tee?
- How far can you hit it?
- Aim for a target!
- Rounders!

### Nest Ball (x1)

A small ball with gaps, making it easier for someone to catch with limited mobility.

- Can you catch the ball?
  - Can you pass it to a partner?
  - Can you flick it, drop it or roll it onto a target?
  - Can you link your fingers into the holes?
- 

### Beach Ball (x1)

24" beach ball, this ball will move slower through the air making catching games easier for those with limited mobility.

- Can you catch it?
  - Try some volleyball by hitting the ball to your partner.
  - Can you race in your garden whilst dribbling the ball with your wheelchair?
- 

### Flexi Ring (x1)

Great for throwing, catching, flicking, holding onto and squeezing or rolling on the floor. Very sensory and great for those with limited mobility.

- Can you squeeze it with your hand?
  - Can you hook it on your foot?
  - Try to catch it with one hand.
  - Can you pass it to a partner?
- 

### Football (x1)

Youth size football. For outdoor use.

- Try some dribbling around the garden.
  - Can you do 10 keepie-uppies?
  - Have a football match with a partner.
  - How many goals can you score? No goal posts? Use a couple of old jumpers!
  - How many goals can you save as a goalkeeper?
- 

### Rugby Ball (x1)

Youth size rugby ball. For outdoor use.

- Play catch with a partner
- Practice kicking from a cone or from hand
- Run around with it and practice evading someone
- Scoring tries!

### Basketball (x1)

Youth size basketball. For outdoor use.

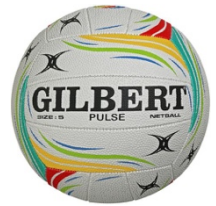

- How many bounces in a row can you do?
  - Can you use both hands to bounce, pass and shoot
  - How about spinning it on your finger
  - Play 1 v 1
- 

### Netball (x1)

Youth size netball. For outdoor use.

- Practice your shooting for a hoop, dust bin or marker on the side of your house
  - Play catch with your partner- overarm, underarm, chest pass, bounce pass and more!
  - Pivot like Ross from Friends. PIVOT!
  - Race to see how many shots/passes/pivots you can do in 30 seconds/1 minute/more!
- 

### Dodgeball (x1)

Rubber ball which can be used outdoors or indoors with care.

- Does what it says on the tin - throw at each other and try to avoid the incoming fire.
  - Dodge, duck, dip, dive and dodge!
  - Play a Wild West-style shoot-out with 1 ball each.
- 

### Soft Football (x1)

Foam ball which can be used outdoors or indoors with care.

- Dribble the ball around your garden.
  - 1v1 football match!
  - Time for a penalty shootout.
  - Can also be used to play catch with a partner or a game of netball.
- 

### Bean Bags (x12)

Small bean bags, different colours.

- Aim for hoops, a hat or even a saucepan!
- Play catch, juggle or use for target practice (just not at other siblings...!)
- Soft and easy to manipulate with hands.
- How far away can you stand from your partner and play catch?

### Boules Set

Perfect for people of all abilities to play target games individually or with the whole family. Can be used with a ramp, for those with limited mobility, made out of cardboard or drainpipe (if you have any lying around!)

- Aim for a target ball and the closest wins
- Knock other balls out of the way!
- Can you get them all in the washing up basket?
- Tactical and calm game of boules or boccia.

---

### Crazy Can Alley Set

Bring the funfair to your garden (or living room). These are a very visual prompt for success - and so satisfying.

- Can you knock over all the cans?
- How far away can you stand and how few throws can you do it in!
- How high can you stack the cans?

---

### Quoits Set

Great to play on your own or with the whole family. Suitable for indoors and younger children.

- Aim for the targets!
- How far can you stand/sit and still hit the target?
- Group the rings altogether or aim for different ones

---

### Skittles Set

Set of 9 plastic skittles and ball.

- Knock them over
- Bowling style / in a line / as many as possible / one ball in each hand / backwards and through your legs / down a home-made ramp

---

### Frisbee (x1)

9" plastic frisbee.

- Throw to a partner and catch it when they throw it back
- Roll along the floor! Can you keep it in a straight line?

### Cricket Set

Plastic bat, ball and stumps for garden cricket!

- Practice your batting and fielding
- Can you bowl the ball to hit the stumps?

---

### Massager (x1)

Mini, handheld massager.

Great for children who have achy muscles. Can be used on legs, shoulders, back etc. after exercise. Also appropriate for children who are sensory seeking- can be used on their face or other parts of their bodies.

---

### Badminton Set

2 x badminton rackets and 2 x shuttlecocks.

- Can you hit the shuttle cock backwards and forwards with a partner?
- Game of badminton anyone? Keep score!
- How high can you hit the shuttle cock with the racket?

---

### Large audible ball (x1)

- Play Goalball by rolling it to try and score in a goal. Can you then defend your goal and stop the ball? Wear a blindfold and listen for the bell!
- Try to knock over as many skittles as you can (or cans!)
- Can you dribble with the ball- keep it close to your feet!

---

### Small audible ball (x3)

Hard, holey ball with bell in. Tennis ball size.

- Play Goalball by rolling it to try and score in a goal. Can you then defend your goal and stop the ball? Wear a blindfold and listen for the bell!
- Hit it off of the hitting tee in your garden. Tie some string to link the ball and the hitting tee and then follow the string to retrieve the ball.
- How many times can you throw the ball up and catch it. Can you add in a spin whilst the ball is up in the air?

### Colour sensory ball (x1)

Bouncy ball filled with multi-coloured beads suspended in clear liquid.

- Can you roll the ball from one hand and back to the other?
- Hold it up and shake it to see the colours move.
- How many different colours can you see?
- Bounce or roll the ball to a partner.
